

OUR PLEDGE

To protect our school communities

We are committed to providing the best possible care for our students, so our school communities feel safe and confident about learning in our schools.

We recognise that guidance to fight COVID-19 is constantly evolving, therefore we will review and adapt our pledge to the local conditions as needed.

STAFFORD HOUSE
INTERNATIONAL

YOUR HEALTH

We will provide outstanding care and support throughout your stay

- Our on-site student services team will monitor the wellbeing of our students. They have long-established relationships with local doctors and healthcare advisers, which are based at medical practices within a short distance of each school.
- We will take daily temperature checks, using infrared technology, of students and staff.
- We will provide care kits to every student on arrival, which will include facemasks and hand sanitiser gel. Hand sanitiser gel will be freely available around the schools.
- We will provide a health and safety briefing to all students in relation to COVID-19.
- We will provide health and safety training to all staff in relation to COVID-19. All staff will be provided with masks.

YOUR SUCCESS

We will provide an outstanding learning experience

- If quarantine measures are required at any time, we will facilitate students to isolate safely in their accommodation.
- Your orientation will start online before face-to-face classes and activities begin, giving you the opportunity to make new friends and learn about the school.
- If students display symptoms of COVID-19, we will isolate them safely in their accommodation, so they can continue their studies online.

YOUR ARRIVAL

We can provide a safe transfer from the airport

- We will meet and greet you at the airport. Our drivers will wear a facemask and they will have received COVID-19 health and safety training. All vehicles will be sanitized prior to collecting you.

YOUR SCHOOL

We will ensure you study and stay in a safe, clean and protected school

- To maintain social distancing, we will limit class sizes, manage the flow of students through the school, adjust classroom seating, and stagger timetables and breaktimes.
- We will carry out increased cleaning in communal areas during the day.
- We will take measures to ensure all accommodation is selected carefully to ensure student safety.
- We will limit outside visitors at our schools until further notice. There will be special procedures for deliveries.
- We will restrict excursions and activities based on the risk assessment of the safety and security of each.
